The Philippine Journal of Otolaryngology Head and Neck Surgery (PJOHNS), official refereed journal of the Philippine Society of Otolaryngology Head and Neck Surgery, adheres to the "Uniform Requirements for Manuscripts Submitted to Biomedical Journals" of the International Committee of Medical Journal Editors (www.icmje.org).

It aims to provide local and overseas otolaryngologists, other surgeons and physicians, health and allied medical professionals, academicians and scientists from other disciplines, with a scholarly forum for the exchange of ideas and information in the discipline of otolaryngology - head and neck medicine and surgery and related fields that are especially relevant to health professionals in the Philippine and Western Pacific context. It publishes peer-reviewed original articles (including clinical trials, laboratory investigations, effectiveness of diagnostic or therapeutic techniques); evidence-based medicine (including clinical practice guidelines, systematic reviews and meta-analyses, evaluations of current practices and commentaries); case reports with discussions; surgical and instrumentation innovations and illustrations of new techniques; review articles; imaging and histopathology cases; lectures and symposia; brief reports and abstracts; correspondence and guest editorials and studies relating to behavioral, epidemiological, educational or controversial issues in otolaryngology - head and neck medicine and surgery and related fields.

Published semiannually, Number One of Volume One is dated January – December 1981. It is also published electronically, available from <http://www.psohns.org.ph/pjohns>. Entered as third-class mail matter at the Manila Post Office on October 27, 2008. Journal International Standard Serial Number: ISSN 1908-4889 Vol. 23 No. 2 July – December 2008. Copyright 2008. NOTICE TO READERS AND CONTRIBUTORS

SUBMISSION

Manuscripts should be submitted to the editorial offices of the Philippine Journal of Otolaryngology Head and Neck Surgery at the Philippine Society of Otolaryngology Head and Neck Surgery, Unit 2512, Medical Plaza Ortigas Condominium, San Miguel Ave. Ortigas Center, Pasig City 1605, Philippines. Electronic submissions are accepted by email to pjohns@psohns.org.ph.

Authors must submit, along with the manuscript, a transmittal cover letter and duly-accomplished authorship statements, disclosure statements and copyright transfer forms explained under the "Instructions to Authors" section of the journal, available in print with each issue, or online from <http://www.psohns.org.ph/pjohns>. No manuscript will be reviewed until the cover letters with signed authorship and disclosure statements and copyright transfer forms are received.

Manuscripts are reviewed by editors and other experts in the field and may be proofread, content- and form- edited and returned for revision. Manuscripts are subjected to external peer-review process, guided by the "Responsibilities and Rights of Peer Reviewers" contained in the Editorial Policy Statements Approved by the Council of Science Editors Board of Directors available from: <http://www.councilscienceeditors.org/services>. Reviewers must maintain confidentiality about the manuscripts and should not use data from such manuscripts or share such data with colleagues before they are published. Reviewers must not reproduce the manuscript for any purpose, or use the peer review process as a means to further their own research aims, by requiring authors to respond to questions that are of interest

to the reviewer but are not questions the study was designed to answer. Reviewers should refrain from suggesting their own published work be referenced.
